Dedication

"Those who bring sunshine to the lives of others cannot keep it from themselves."

—Sir James Barrie

We the staff of the 1974-1975 Rayder Yearbook would hereby like to dedicate this publication to a man whose name has meant pride to Charlevoix High School for half of a century, and whose hard work and dedication to this school will never be forgotten.

It all began back in 1925 when he was a freshman in C.H.S. For his four years of high school he belonged to the football and basketball teams. A special moment came in the last game of his senior year when he scored the first and only touchdown of his high school career against East Jordan. On the basketball court he was a member of the Charlevoix High School team that defeated the State Championship Harbor Springs team twice during the 1928-1929 year.

Graduation came for him in 1929.

But that wasn't the end of his time at C.H.S. Always a Charlevoix native, this man played first trumpet under Mr. C. A. Odmark in the city band for several years and remains an active music supporter.

Still going strong at the age of 65, he pursues his work with determination and no thought for praise or reward. Although we so often take him and his hard work for granted, his cheerful and willing attitude serves as an outstanding example to both students and faculty.

We therefore dedicate this 1974-1975 Yearbook to Mr. Ilo Helms, custodian and friend.

— The Dawning . . . —

Leaders Of The Pack

If you think your school days are busy, you should spend it with one of those dedicated people who spend part of their time behind a desk, typewriter, or telephone. Although most students rarely see them maybe it's because they avoid them—they are the ones who are behind most things that happen during the day. Some of the more familiar faces in the halls of C.H.S. are those of that hard-working sect labeled as "teachers." They are the people who are so kind as to prescribe homework for any and all ailments that students could possibly incur during the school year. However, this year some of the teachers found a little more time to relax as they were aided by several eager student teachers. As in the beginning, it is equally fitting to say that in the Dawning there is "The Faculty."

Student Gov't Gains Ground

The Student Council bravely launched into a new year with bright and early morning meetings (C'mon you guys, wake up!). As council members stumbled in with sleepy eyes, they stumbled out with fistfulls of Bic Bananas to sell to raise money for a new trophy case. Students from Boyne City could be seen regularly in CHS through several Student Council exchanges and seminars with BCHS. Government moved ahead with three amendments to the Student Constitution and a new handbook. The year ended with smiles by way of a Muscular Dystrophy Drive, held by the Council called "Smile Saturday."

EXCHANGE: To and From

There was more than one reason for saying "What?" this year. One of them might have been because you were talking to one of our foreign exchange students, and talk they did! We all learned all about Norway, Finland, Greece and Brazil, as well as having our own kids spend summers in Denmark and that land over the horizon, Japan. Of all the students at C.H.S., the exchange students will always be the hardest to forget.

Frolicking Freshmen

Forced into the frigid fantasy of foreign halls, the frolicking Freshmen forge the way for frivolous fun. No fanfare greets these fragile fellows. For fateful reasons, fraternizing with the fanatical former freshmen is forbidden. Feeling forlorn, finally the forsaken Freshmen fight for freedom in the foul forum and frankly, soon become favorite fans of our foremost friends.

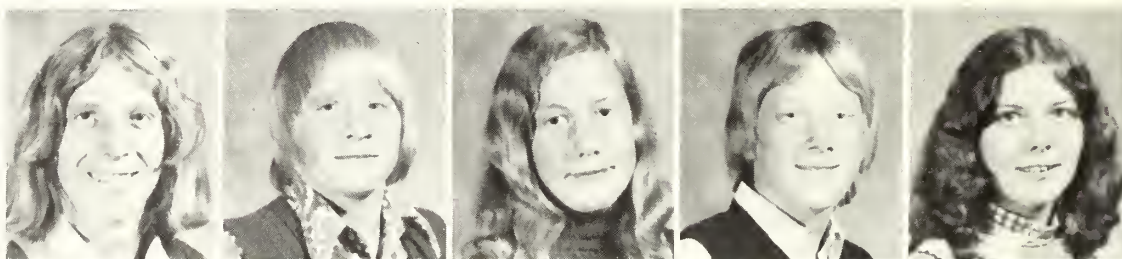

They started the year not knowing what to expect. But now, as their Freshmen year fades into the past, there are many fond memories to recall. Their float, The Night We Tracked St. Ignace Down, won first place, much to everyone's surprise. Their day of revenge finally came on Senior Slave Day, when they could exercise some authority over their superiors. They left the year a little bit wiser and with "Great Expectations."

We bid now a fond farewell to Freshmen days and silently slip into the slightly more sophisticated Sophomore style.

Everyone's Work Is A Portion Of the Whole

The Red Rayder Marching Band continued their steady climb to marching greatness with performances on the field this year unequaled in CHS history. Led by 2nd year drum major Jim Sundberg and debuting Golden Girl Debbie Krueger, the band marched to Peshtigo under the baton of director Gary Stutzman to give an explosive combined show with the Peshtigo band at Peshtigo and a post game at N.M.U. It all made a day and a season always to be remembered as a Red Rayder Marching Band highlight.

It was a memorable season all right and it began with PAIN!! Summer band camp under the hot August sun brought out "the crab" in everyone. But despite all the sore muscles and empty Ben Gaye tubes, everyone knew it was worth it when the flag girls did their strip tease routine and the crowd went wild. Dazzling features like music from New World Symphony, the Entertainer, a special Truth Serum combo and a Tuba Feature showing us a different side of the tuba players—the backside—added spirit to every game, every player, and every fan. To show their appreciation to director Gary Stutzman the Seniors presented him with a plaque naming him "Chief Band Fairy" and treated the Stutzmans to dinner to repay Mrs. Stutzman for all the nights "Stutz" spent away from home. And as the last strains of MacArthur Park faded from the field even higher heights of marching band greatness loomed on the horizon.

Kacz's Chicky Clickers

All cheerleaders know about all the headaches and hassles that go along with cheering—so does their advisor. This year they kept Mrs. Kaczynski as busy as ever with learning new cheers and deciding what to do for pep meetings. They were helped out by attending a clinic and coming home with such ideas as “mini-cheerleaders”—at least they were big in spirit. The Varsity squad finally got stretch pants for the football season. The J.V. and Freshman squads continued to suffer from the cruel fate of frostbite and flaky skin, as they stuck to wearing skirts. It was a totally different story during basketball season as they shed their pants and donned their wynnies. All throughout the gym there were sighs of exhaustion and complaints like, “Can’t we open the doors? It’s boiling in here!”

Homecoming 1974

Homecoming 1974 was an evening of sparkles, spirit, and smiles. The sparkles began with lovely Queen Sue Fowler and her court of Gayle, Kim, Gay, and Debbie. This year saw the Freshmen win the float competition, much to the surprise of the Juniors in second and much to the embarrassment of the Seniors in third place, saved from the total embarrassment of last place only by the ingenuity of the Sophomores. The dynamic Red Rayder Marching Band and our squad of cheerleaders led the way with spirit both in the parade and at the field with an enthusiastic crowd to back them up. Smiles could be seen all around as the mighty Rayders finally penetrated the tough St. Ignace defense and brought in a Rayder victory. All the sparkles, spirit, and smiles of one memorable Homecoming evening culminated in a dance after the game. It was a great way to start a great year!

Football: "game played with an inflated goals at each end; object being to get

This year the C.H.S. football team punted, passed, and tackled its way to an improved season. A lot of long hot summer practices was all it took to get you sore enough so all you could do at night was sleep—that's one way to keep 'em in line coach! Working yourself to death is like a lot of other things; it's like hitting yourself over the head with a board because it feels good to stop! And that's the way it felt most of the time. You walked around for weeks with stiff legs, black eyes, bloody noses, broken fingers, and a hunched back—looking an awful lot like the second cousin of Frankenstein.

It especially felt rough when Mr. Presnell gave the linemen a workout . . . “Hit that dummy—again!” No one had any idea the ping-pong champ could be so vicious! Then as if a hard practice wasn't enough the showers were so cold you couldn't find a drop of warm water anywhere to soak those aches. But it began to pay off when St. Ignace crumbled under our spikes for the first time in three years. The varsity team brought home a conference record of 5 wins and 2 losses while the J.V.s, not to be outdone, matched that—also bringing home a 5 and 2. By the end of the season the PAIN had changed to PRIDE!!

ALL-CONFERENCE
Dan "The Man" Greene

S.L.A.: Super Liberated Athletes

The Girls Basketball team came through with another impressive season this year capturing both the Conference and District championship. Finishing once more with an undefeated conference season, the girls are beginning to build a basketball dynasty. However, they weren't to be the only team in the limelight.

The J.V. team had an equally impressive season, winning almost as many as the varsity did. The ball bounced

and sometimes the girls did too. Everyone likes to see a winning season, and it's great to be a winning team. It's just that one game that you lose that hurts. The girls felt both and hope to go even farther than Regionals in the future. With a lot of J.V.'s moving up to fill the vacated Varsity positions, things shouldn't be too much different for Mrs. Felter next year either.

Over the River . . .

"Over the river and through the woods to Grandmother's house we go . . ." This may have been descriptive of several journeys that the cross country team traveled with one exception. There was no stopping off at Grandmother's house . . . that is for most of them. Not that they wouldn't have liked to, but we all know that isn't the mark of a true "cross countryer." The season averaged out to be one of their

better seasons, from all indications. There were all those long hard miles that had to be conquered, with the agony of sore muscles and aching feet for a reward. Coach Carr was the motivating force behind them all. And on cold, wet, foggy afternoons, everyone had to be motivated. The hills got steeper and the sand got deeper, but the cross country team rolled on.

and through the woods

Golf—"Keep on Puttin' "

That's just what the golf team did this year as they stayed out of the sand traps and stayed on the greens long enough to turn in a very impressive season. In fact, it was probably their best season ever, as they putted past several opponents to a third place finish at Regionals and a berth in the State Finals Tournament. Golf is one of the "greener" sports at C.H.S., but all indications point towards several more successful seasons in the years to come.

A Hope, a Prayer And a B

Living in the shadow of an older and bigger band isn't easy, but this year's Concert Band seemed to pull through in fine style. They were the last band to be under the direction of Mr. Odmark, and will no doubt carry on the great reputation of Charlevoix bands in the years to come. As Mr. Odmark says, "They can do a great job when they want to, it's just a matter of wanting to."

Presenting: the Best Class

After reaching what seemed to be the ultimate last year, second place in the State, this year the C.H.S. debate team did what seemed to be impossible—brought home the State Class C Debate Championship, as well as numerous other invitational honors. It took a lot of sacrifice to get that trophy though; like a three month diet of bagels and McDonald Land Cookies, learning to debate with three hours sleep, trying to CATCH some sleep in a creaking school station wagon at 3 a.m., when the night before was Homecoming, arguing for four rounds with a head cold, chronic mono, and an ear infection, learning not to lisp with braces, and becoming an authority on Presidential politics and male downstate debaters. Once the State championship was had and our gold watches had been delivered, we could sit back, sigh, and say all the work since August at debate camp was worth it.

The Flash Gordons Of C.H.S.

Charlevoix High's FLASH staff made it through another year just about on time. It was tough getting started, but eventually they put it together—the paper that is—and kept the students aware of their surroundings. It was a year for changes, except for deadlines. They always seem to lurk in the atmosphere of mimeograph machines, correction fluid, and stencils.

Trying to put one year in the life of Charlevoix High School into words and pictures isn't as easy as it may sound. So, the C.H.S. Yearbook Staff found out this year. At times the confusion was furious . . . a mad Italian photographer, always half an hour late, bizarre pictures taken by our own Super Sundberg, lost pictures, and poor puns for headlines. But with an abundant group of eager and not-so-eager journalists, photographers, and salesmen under the direction of Kim and Gayle, the book was finished after much hard work.

High Noon . . .

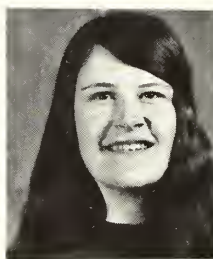

Spunky Sophomores

Sophomores—spunk?—yes—status?—well, a little; at least it's better than being a freshman, but not much. The sophomore year is one to just sit back and enjoy—you're old enough to walk around with a little bit of authority and yet young enough to do really silly things and get away with them without an explanation. The sophomore year is also one full of opportunities—dances to sponsor, bake sales to have, and a student's first of many encounters with Mr. Bernie Wilson. The cost of gold was up, the 6-karat rings were tarnishing, and Mr. Wilson was still singing the praises of Josten's. But no matter, a memento of CHS was worth a \$40 green finger. The annual magazine sale was not exactly what you could call a success, but it hit when the spring fever epidemic was at its all-time high ("Yes ma'm, a 12-year subscription of HOT RODDER'S HEAVEN is only \$1.25"). But even if Sophs couldn't sell magazines or build floats (last—again), they DID have big mouths and proved it by winning almost all the competition yells. Besides big mouths, they also had host seats, for the spot on the heater in front of the office will ever be reserved for the class of '77.

As a "Mat" ter

The Charlevoix matmen continued in their winning ways again this year bringing home numerous honors in both invitationals and conference competition. In fact, at the awards night Mr. Probert seemed to hand out more plaques than everyone else put together! With a hard working coach behind you, making you lift those weights and run those stairs, you knew something good had to come out of it. As always there were the fish awards, and the starvation diets to lose two pounds before the meet that night, but that's all a part of wrestling. The guys all try to look mean and aggressive, but everyone knows that they're quiet and reserved on the inside . . . right? The team qualified four of the more reserved wrestlers for State competition, and returned home with a second place earned by Phil Christ. But everyone knows none of it would've been possible without such dedication by one of the most outstanding coaches in Michigan—Coach Probert.

VARSITY BASKETBALL COACH: Mr. Anderson.

Questions arose in our minds early in the season when the pep talks began with, "This, men, is a basketball. It has a strange effect on the scoreboard when thrown through the basket." Those pep talks seemed to work most of the time. The only problem was that the other coach must have said the same thing, only meaner. Aggression seemed to be the key to the Varsity squad this year as they came back to finish strong-handing in a 5 win, 9 loss conference record. Their record may be somewhat disillusioning though, because of the games were lost by slim margins, like in Districts. Even though the Rayder team didn't influence the scoreboard enough sometimes, their effect on the crowd was enough to maintain that great Rayder spirit that is always electrifying.

The Mark of Distinction

Every year, after everyone has put forth undying efforts in their particular sport, they are honored at an awards night. Not awarded for sports are the boys and girls staters, although the boys might argue that it was a sport. It's never hard to forget the speeches by Mr. Probert and Mr. Car-ey. However, in all fairness Mr. Carey's speech was shorter than usual. Sometimes you wonder if they wanted the award. It always seems like the letters are thinner and the certificates smaller, but they still mean just as much. It's a time of remembering all the hard work, the times you wanted to just skip practice—but didn't—and kept on working anyway, and all the butterflies that seemed to invade your stomach before the big game or meet. Sure, it's a time to relive all the exciting moments, but it's even more exciting to look ahead.

S.O.S.: Spike or Set

Playing and praying hard payed off for the Girls' Volleyball team, as they combined hard work and togetherness to bring home a 17 win, 4 loss record and another Conference championship. Things aren't always "served" on silver platters, as the girls found that volleyball is more than just hitting a little white ball over a net. There are all the sore arms, wrists, fingers, and knees that go along.

There was really only one time when it looked like they would really have to send an S.O.S.,—when the bus broke down. But, that didn't seem to change their luck. Even though everyone knows it wasn't luck in the first place. After all, when you dominate a sport like the Girls' Volleyball team has for four years, it's no longer luck—at least partly anyway.

Hot

CHS's ski team slalomed its way to sensational and surprising statistics, the Boys capturing 1st in the conference with the Girls close behind in 2nd. We all, of course, knew it was because the team had such outstanding practice facilities—while the Boyne team was schussing at the Highlands and Petoskey slalomed at Nubs, the CHS team raced down their own magic mountain—McSaubia. No small part of the success could be attributed to Coach Mr. Murray who always demonstrated perfect form. Success in the CHS tradition wasn't easy . . . calisthenics, -30 degree temperatures, diets, blizzards, stomach butterflies, and long bus rides . . . but the thrill of victory was worth it! Hot Dog!

Foreign Languages:

Under their new advisor, Miss Kravutske, the Spanish club had one of its busiest years ever. The year was highlighted by the annual Spanish club dinner and a new tradition, a canoe trip. The club's main concern this year was having bake sales in order to raise enough money for a trip to Mexico next year. Head sombreros for the club this year were President Nora Lewis, Vice president Patty Egler, Secretary Mark Gallagher and Treasurer Kim Gould.

Communicating Friendship

1974-75 was a busy year for the Latin Club at C.H.S. under the active leadership of President Tammy Wieland, Vice President Ann Buday, Secretary Margaret Warner and Treasurer Cheryl Coppens.

The activities included the Christmas party, bake sales and the selling of locker hangers to raise money for the annual Latin Banquet. In the club's final year, a special thanks is given to Mrs. Novak for her many years of help in supervising the projects of the club.

Around the World

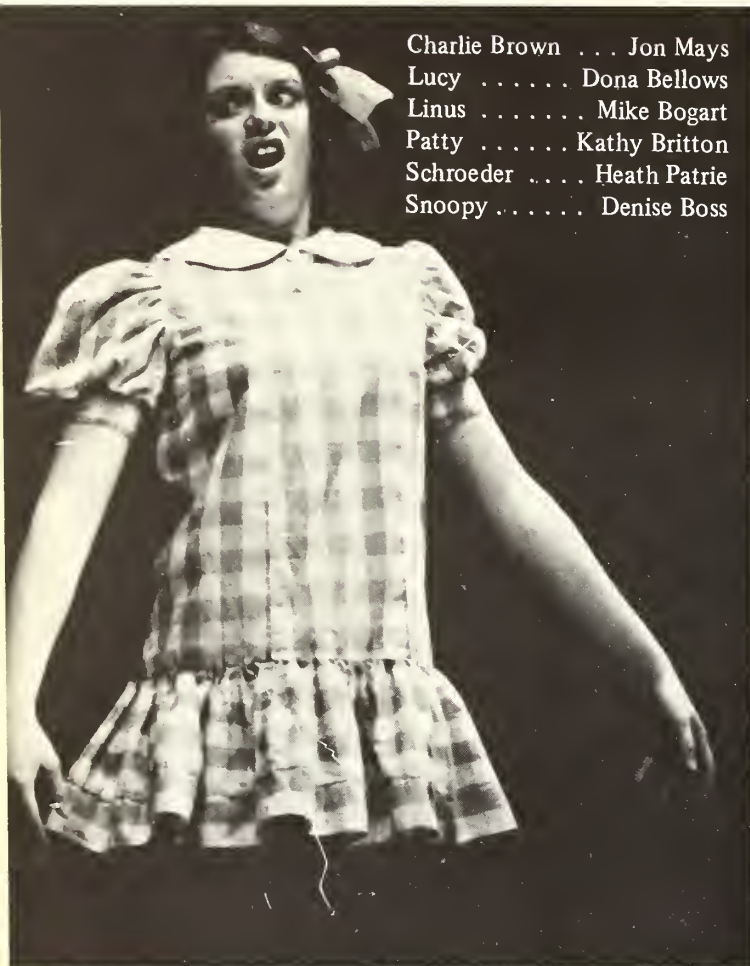

When you heard "Merci beaucoup" in the halls of C.H.S., you knew that either a new language had been added to the curriculum, or that Spanish had changed drastically! Si? Well, they might have both been true, but the new language was French, and as everyone knows, when there's a new language, there's a new club. The French club started small, but gained in membership (especially for the picture). They got busy right away selling candles and then Polly Doodles—for six months. Naturally, they moved on to bigger and better things like dinners and bake sales. Exciting things lie ahead for them as they work towards a trip to Switzerland next spring.

Jubilant Juniors

It was the last year before that hallowed year when they could finally call themselves Seniors. For a while, they seemed to run Old McDonald's farm, raffling off turkeys, pumpkins and a side of beef. That's a lot of bull! It all added up for a plentiful harvest helping them to somewhat overcome the notorious "bank deficit" that always accompanies the prom. Not only did the bank account suffer, but also all those hard working Juniors behind it. And the Sophomores can't wait until they're Juniors? Boy are they disillusioned. The float didn't quite make it up the last step to victory as the Freshmen float squeaked by and took first. But then we have to remember that the Freshmen think they accomplished something, so the Juniors played along. Their revenge will come in a couple of years when the Freshmen are Juniors and they'll have to take History. It was a very good year over all, even if the secret password was PSAT/NMSQT. Then, while watching all those Seniors graduate, the realization came that the remainder of the upperclassmen was gone . . . and they envied them.

29 Great Years

Charlevoix High School Symphonic Band under the direction of Clarence A. Odmark played to heights of success never before heard in the years of C.H.S. band history. The band took the step to Class B and came away with a I rating, in district festival competition. Then it was on to state competition, this year without the overnigher downstate. To show their gratitude to Mr. Odmark the band played their way to a I rating in State in Class B . . . a first for Mr. Odmark, for the Symphony Band, and for C.H.S.

Band Director, Clarence Odmark.

The year was a special one for the Symphony Band, for it was the last one for Mr. Odmark on the director's podium. The band supplied crisis and concerts to Mr. Odmark's memories of C.H.S. . . . crisis like a bus-smashed baritone six minutes before the State festival, a widespread absenteeism epidemic, and concerts like the final spring concert for Odie which brought congratulations and a few tears. As the year ended for the Symphonic Band and Mr. Odmark, the future on the horizon for the great C.H.S. Symphony Bands looks very, very bright.

Everblasting Blowhards

(Alias: Jazz Band)

Some of the echoes that remain in the halls of C.H.S. when school adjourns originate in the band room—after hours. Lots of hard blowing and tricky rhythms put together everything from the blues to Chicago when the Jazz Band gets together. Jazz Band, unlike Concert band, is a chance for those hard blowing brass and lower woodwind sections to show off—more than usual. Of course there are a few special additions like an electric piano and guitars. It may not seem too musical, but it all goes together to give C.H.S. a little taste of New Orleans.

Another Day, Another

The boys track team continued their winning ways again this year, finishing a spectacular 2nd in the State!! WHAT?? That's right! It was a fitting end to a victory laden season. Some of their many trophies came from the Soo, Rudyard, Petoskey, Conference and Regionals. All of which they placed first in. Not only did they bring home new trophies, they also brought home a new way to "burn" somebody. You might ask, WHAT was that? Well, you said it! They also bid a fond farewell to their hard working, dedicated coach, Mr. Stutzman, who probably knew more "good stories" than anyone else on the team.

With a Hop, Skip,

Perhaps a bit overshadowed by the boys track team, the girls also had a successful season. They were able to attend some invitationals this year which prepared them for their fine showing at the State meet. Earlier in the year they participated in the M.S.U. and Chip relays and even brought home some medals. Losing to Rogers City once again in the Conference meet the girls placed fifth in a not so easy Regional and qualified five for state. They placed in all three events and everyone brought home a medal. Mrs. "O" and Mr. Martin kept them busy on the weight machine thanks to Mr. Presnell, and maybe after all the sore stomach muscles from so many sit-ups, and putting up with shin splints, the hard work (?) paid off.

TENNIS '75—the

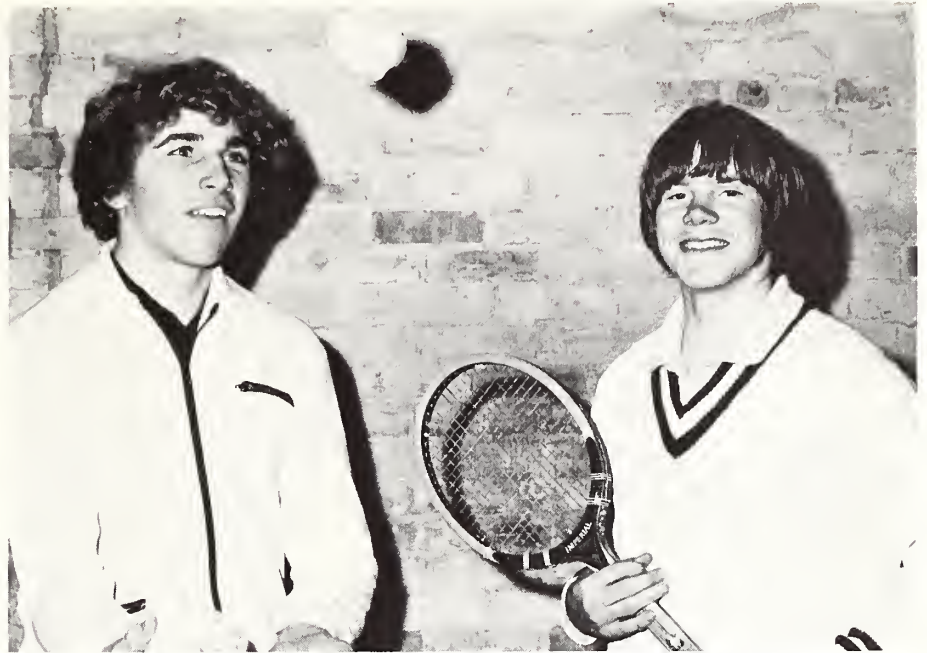

For the first year as a Varsity sport, the Tennis Team came through with a winning season capturing Regionals at Leelanau and finishing with an impressive conference record of 11 wins, 2 losses. Also a first, Erik Lundteigen was the team's representative to the state competition in Kalamazoo. The team was so enthusiastic about playing they held a raffle for funding and snow shoveling party on the courts . . . although at the time it didn't really seem like a party. The tennis team was an example to all sports in C.H.S., proving that even without school funding and sponsorship, a team can be successful with good coaching, patient parents willing to drive rowdy tennis players around the state, and pure team dedication.

The Crazy Clowns

The crazy clowning antics of Campus Life brought smiles and laughs to a lot of CHS students through the long winter of tests, teachers, and textbooks. Besides the regular meetings where 30 or so kids ate some considerate parent out of house and home, there were those completely unique Campus Life creations like . . . Freddie's Fearless Feather Frolics featuring Freshmen and other Fun Folks, where mature high school students slugged each other with feather pillows and ate ice cream from a bathtub; Wrap Up '74—a fun and faith-filled four days in Canada's super city of Toronto with Trademark; the great get-away, fun in the Florida sunshine; and in the spring Campus Life's own "Skitzowtusidor-fritaclodsethalaparty" (which, by the way, is not a code word for the Russian underground)! But Campus Life meant a lot more to many than just laughs. It brought insight and a formula for balanced living to high school kids all over Northern Lower Michigan that will remain long after 1975!

Forensic

Charlevoix High School's Forensic team fumbled, fought, and finished a year with some success, no money and a lot of laughs. Success came for Denise, Dona, and Darrell as they qualified for State finals in Ann Arbor. The team ran out of money early in the season and had to pinch pennies to finish the year. But the laughs came despite the poverty with CHEAP trips to Ann Arbor and the Bagel Factory, the Ann Arbor Hilton's swimming pool, dinner at Weber's, and gas station rest stops. Forensics seemed to come on top of many other activities this year and the rush of the forensic folks was fanatical. But all emerged a little more trained in the methods of public speaking, acting, and interpretation with lots of smiles.

Seniors '75

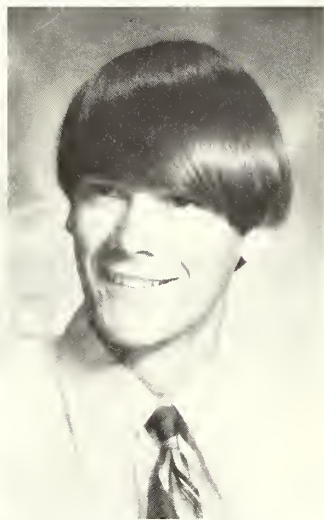

June 1st, 1975 . . . The day seemed as if it would never arrive. It took thirteen years for Graduation day to come and then—freedom. But walking away from C.H.S. it was good just to turn around for a minute and smile . . .

Kindergarten started the class of '75 out right—laughing when Ron Winchester leaned over too far to see the goldfish and fell in. As the years of elementary school came and went, there were minor crises and good times;

The class that finally made it.

like running through the tunnel, Mrs. Potter's SRA reading class, the piano falling on Steve Bloom, and putting on the play "Tom Sawyer" in Mr. Chew's room.

By Junior High the class of '75 had become the rowdy class they were destined to be. The new found daring was tried out on a fresh, new teacher—Mr. Matchinski. He soon discovered this was no ordinary class when his room was ransacked, flooded, and set on fire. There were also the days of Home Ec for boys AND girls, being turned upside down by Mr. Burns to learn what a reciprocal was, and dances with records.

By High School this class had grown up a little more and were kept in line by seniors that seemed SO large and SO old. There were the sin bins, marching band and spec buses. Finally after much complaining these 147 students became mighty seniors and ruled C.H.S. with an iron hand.

The good times were good, but though it's good to remember, it's better still to look ahead and dream of future memories.

A Pat on The Back

After a year of trying hard, like breaking glass, calculating the square root of pi, learning about pulleys and levers, memorizing organic formulas, and typing 60 words per minute, students are awarded for their achievements at the Awards Assembly. Of course there are always the unexpected things like the Betty Crocker award, giant drumsticks, perfect attendance records, and of course the dedication of the yearbook. It's the time of year when you realize that maybe coming to school for the past 183 days has been worth it.

"Time in a Bottle"

Nights like May 17th make memories. This year the memories were made at "This Ole House" in Conway, with the background of beautiful Crooked Lake framing the picture. The music was furnished by "Mongrel", and made for a fairy tale come true. It all went together to make an evening that will long be treasured and kept in the corners of our minds, to be uncovered by fond reminiscences in the future.

If I could
save time
in a bottle
the first
thing that
I'd like to do,
is to save every day
'til eternity passes away,
just to spend them with
you. If I could make days
last forever, If words could
make wishes come true,
I'd save every day like a
treasure and then, again, I
would spend them with
you. But there never seems
to be enough time to do
the things you want to do
once you find them. I've
looked around enough to
know that you're the one I
want to go through time
with.

TIME IN

TIME IN A

For weeks the slowly passing days were counted until June 1st. The long anticipated day finally arrived, and when it did we were taken by surprise. The day seemed a haze of watercolor memories . . . the Senior breakfast at the Weathervane, the first strange fit of caps and gowns, roses and baby's breath, the left, right, left of "Pomp and Circumstance," a diploma actually in hand, a smile from Mr. Smith, pictures for proud parents, open a houses, and a party at the lake.

Although leaving, the memories of C.H.S. will not be left behind, but carried and cherished inside to be thought of tomorrow with a smile. But for today, the bright horizon of the future beckons.

Goodbye C.H.S.

To accomplish
great things
we must not only
act
but also
dream,
not only
plan
but also
believe.

Clarence A. Odmark

Mrs. Frances Novak

Mrs. Jan Odmark

After many years of unending service to the students of C.H.S., we say a warm thank-you and good-bye to three of our most dedicated instructors. They will be leaving us after many years of pie crusts, Roman banquets, syncopated rhythms and quadratic formulas. As they leave they will carry with them the fond memories of getting I ratings at band festivals, a trip to Rome, and the most anyone could ask for, a Bachelor Cooking class. Throughout all their years at Charlevoix High, these teachers have taught more students than any other teacher currently at C.H.S. For this we can't express our thanks enough except to say that they will truly be missed and Charlevoix will always hold the marks that they have made on our educational system.

As one we watched
the sunset . . .
alone we Faced new
horizons,
with old ones never to
be forgotten . . .
